

FP001 - Sigfox Sensor Holder for F8800 Professional Multi-Plate Radiation Shield

It is necessary to order this holder for wireless Sigfox sensors W0810, W0832, W3810, W7810 to be installed in F8800 solar radiation shield.

WIRELESS Compatible Comet

transmitters	
Measured Value /	Sigfox
Output	IoT
Temperature	W0810
	<u>W0832</u>
Temperature + Relative	W3810
Humidity	
Temperature + Relative	<u>W7810</u>
Humidity + Atmospheric	
Pressure	

Technical data

GENERAL TECHNICAL DATA	
Temperature operating range	-30 to +80 °C
Relative humidity operating range	0 to 100 %RH
Storage temperature range	-30 to +80 °C
Storage relative humidity range	0 to 100 %RH (no condensation)
Dimension	100 mm (width), 150 mm (height)
Warranty	3 years
